**DELEGATES** — Rosemary Heath and Jerry Fink are this year's participants in Girls' and Boys' State. These two delegates were chosen from the many juniors who applied to the counselors and the administration on the basis of leadership and scholarship.

The Girls' and Boys' State is sponsored and financed by the American Legion and will take place on the University of California at Davis, June 17-28.

Purpose of this confab is to make the delegates more aware of their roll in state government and its workings by having them participate in political parties, the making of platforms and actual elections of state officials. The governors elected from the Girls' and Boys' States and the two outstanding citizens chosen will be sent to Washington, D. C. to take part in Girls' and Boys' Nation. Alternates chosen were JoAnn Burkus and David Ledford.
